

God's 'wind' was at our back, through this difficult month of challenges which included 6 of our staff getting the virus, shipping delays due to container shortages, driver shortages etc. But, we were able to get out 17 shipments-
We are mega grateful!

KENTUCKY TORNADO FAMILIES STILL IN NEED

To date we have sent **NINE** - 53ft tractor trailer loads of supplies to the tornado victims in Kentucky, with more being prepared.

We have **TWELVE** shipments already scheduled for February for Guatemala, Honduras, Haiti and Moldova. Several more shipments are in preparation which include Israel, Nigeria, Ukraine, Moldova and others, plus ALL of our local outreaches!

We certainly thank God for each and every one of you who so faithfully support the Lord's work here at JZRL.

...You, O God, have provided from Your goodness for the poor Ps 68:10

Thank you Angels for your prayers & support !!! God Bless you- Mega!
