

For many, this is a real difficulty, having to not only collect water but facing the task of carrying the heavy jugs home, often up many flights of stairs to their apartments. For some time, the elevators were shut down because there was concern that people could be trapped in them during the constant shelling. Imagine having to carry your drinking water up ten flights of stairs !

ROCKETS HIT KYIV !

Although you may not be seeing as much about the brutal war in the news, the horrible suffering of innocent civilians continues and the needs remain very great, especially as the Russians have been able to advance in the Donbas region over the past few weeks. . ."

To date **JZRL** has sent **FIVE 40FT OVERSEAS CONTAINERS** of much needed supplies which included: **FOOD AND EMERGENCY FOOD PACKS, DIAPERS, PERSONAL HYGIENE PRODUCTS, NEW CLOTHING, BEDDING, TOYS** and much more. A major clothing company is sending a shipment of new clothing for us, directly to our contact in the Czech Republic. **THAT'S NUMBER 6! GLORY TO GOD!**

We have begun working on our **7TH SHIPMENT** to the Czech Republic which then gets trucked into Ukraine. This is done with our partner **FEED THE HUNGRY.**

Our latest shipment to Israel is now on its way, and should be arriving in a few weeks. Israel is also challenged to meet the needs of all the Ukrainian refugees coming into the country. Remember: prayers opens miracle portals! 🤍🤍🤍

Thank you Beloved Angels for anything the Good Lord would bless you to give !
