

Here are just a few pictures that they sent to us of how the products we sent were distributed to hundreds of families that lost so much ! **HALLELU-YAH!** We will continue to do all we can for the families in Florida.

We haven't forgotten Ukraine, as we are working on our **9<sup>TH</sup>** overseas container to the struggling families there.

We are blessed as well to be working on shipments to Israel and several other nations battling poverty and hardships.

In this month of Thanksgiving, we want to thank the God of all Goodness for the blessing of your lovingkindness and faithful friendship !
